FRIENDLINESS

Friendliness is contagious. A few people with a genuine feeling of friendliness can make unbelievable changes in the attitude of a group. A spirit of friendliness among students and teachers can make school a great place to be. Let's develop the spirit of friendliness that we have at Triad. Make friendliness a tradition at Triad.

ESPIRIT DE CORPS

Each military unit takes great pride in its "Esprit de Corps" or Spirit of the Corps. It becomes necessary for any group which wishes to succeed in any endeavor to show enthusiasm, devotion, and jealous regard for the honor of the group. This should be your regard for your school and your community. Never do or say or permit others to do or say anything which will reflect on the honor of your school, community, state, and nation.
